

## The 3rd International Conference on Information Technology and Applications Agents, Datamining and Ontologies (ADO'05)

**July 4-7, 2005, Sydney, Australia**

<http://attend.it.uts.edu.au/icita05/>

The 3rd International Conference on Information Technology and Applications (ICITA05) is an IEEE supported international conference. ADO'05 is a subgroup of ICITA05 conference specializing in Agents, Datamining and Ontologies.

We are pleased to invite you to participate in this event, which provides an excellent opportunity for researchers, academics, industry specialists, practitioners & students interested in the advances in the subject areas. This conference aims to cover the following topics but not limited to the following research subjects and/or technique areas.

### **Subject Areas:**

#### **Agent computing:**

##### **Theories, methods and applications in:**

Information retrieval, user interface design, robotics, electronic commerce, computer mediated collaboration, computer games, education and training, smart environments, ubiquitous computers, social simulation, engineering etc.

#### **Datamining:**

##### **Theories, methods and applications in:**

Machine learning, automated scientific discovery, statistics, pattern recognition, knowledge acquisition, soft computing, databases and data warehousing, data visualization, and knowledge-based systems, etc.

#### **Ontologies:**

##### **Theories, methods and applications in:**

Ontology-based information extraction, ontological system development, building ontologies available to the public, web-based ontology applications (cultural heritage, governments, public institutions, etc.), Functional Applications; from Resource to Application, semantic web, semantic grid.

### **Paper Submission and Publications:**

Contributions will be reviewed by at least three reviewers from program committee members and external reviewers for originality, significance, clarity, soundness, relevance and technical contents on basis of papers. The length of the Camera-Ready papers (if accepted) will be limited to 8 (IEEE style) pages.

Submit original papers of up to 6 pages, single space, font size of 10 to 12) to Dr. Joan Lu or Dr. Carmen Costilla. Electronically submission to the chair and co-chair are welcome. See the details at <http://scom.hud.ac.uk/scomzl/conference/icita05/ADO05>.

### **Important Dates:**

**4, January, 2004: Extended Submission deadline**

14 March 2005: notification of acceptance

11, April 2005: Camera-Ready papers & Pre-registration

4 - 7 July 2005: ICITA'2005/ADO'05

### **Conference Contacts**

General Chair: Dr Sean He, at [sean@it.uts.edu.au](mailto:sean@it.uts.edu.au), University of Sydney, Australia,

Program Chairs: Dr. Joan Lu at [j.lu@hud.ac.uk](mailto:j.lu@hud.ac.uk), University of Huddersfield, UK;

Dr. Carmen Costilla at [costilla@dit.upm.es](mailto:costilla@dit.upm.es), Universidad Polit cnica de Madrid, Spain
